NEWS FROM ISLAMIA GIRLS' SCHOOL  
Sdaqat Jabeen, Head Teacher

As part of a project to help the homeless, Islamia school is donating food to Conway House, a hostel in Kilburn. We host a tuck shop every Friday and the proceeds help buy food items for the hostel. Our students have also visited the shelter.

We're also backing Salisbury World this year. It's a local charity supporting children from refugee backgrounds. Some of our students volunteered to help with their summer programme and to assist with their stall on Queen's Park Day. And a sponsored walk by Islamia Girls School raised an astonishing £5,000 for Salisbury World.
